

## **Landscape Foreman**

Our company focus areas include landscape designs/builds, landscape lighting, water feature installs/maintenance, and irrigation. We are looking for a Landscape Crew Foreman to join our team who is passionate about working in the outdoors and who can help lead our crew in beautifying our longtime clients' homes and properties.

### **JOB RESPONSIBILITIES**

- Manage, develop, and effectively communicate with your crew, clients, and vendors
- Manage the entire scope of projects including job layout, materials, and required paperwork
- Develop and maintain long-term relationships with our customers
- Follow all company policies and procedures
- Oversee safety and quality control on projects
- Oversee installations of projects, utilizing a landscape plan and/or design
- Use various equipment including skid steer and other landscape related power tools
- Clean driving record and license with the ability to drive a company truck/ trailer combination
- Help create and maintain a weekly production schedule
- Perform any other duties as assigned

### **JOB SKILLS AND PERSONAL CHARACTERISTICS**

- Good written and oral communication skills
- Must be self-motivated
- Must be a creative problem solver and have the ability to adapt as needed
- Must be team-oriented
- Basic knowledge of computer skills

### **WORK CONDITIONS**

Employees performing this job should be able and willing to drive or travel locally if needed. Most projects are located throughout the westside of Cleveland. Schedules for this position may vary and may require flexibility to work extended hours. This position will require working outdoors in a variety of weather conditions.

### **REQUIREMENTS**

Valid driver's license and reliable transportation

One year of experience leading landscape crew

Must be able to move and/or lift up to 50 pounds

Knowledge of nursery stock and plant care / installation

Knowledge of various seasonal pruning techniques

Job Type: Full-time

Pay: \$18.00-22.00
