

Gardener

Position available for a part-time gardener in our Landscaping area for entry or skilled level candidates. Gardening work includes landscape garden beds maintenance; plant care – tending to trees, shrubs, roses and perennials; gardening specific to the needs of each client and their landscape gardens; weekly, monthly or other seasonal visits to help maintain gardens and plants; pruning – in-season pruning and winter dormant pruning for shrubs and trees; and vegetable and herb gardens planting and care.

JOB SKILLS AND PERSONAL CHARACTERISTICS

- Knowledge of gardening techniques (previous gardening experience a plus)
- Knowledge of plant and flower care
- Good written and oral communication skills
- Must be self-motivated
- Must be a creative problem solver and ability to adapt as needed

Ideal candidates should have a clean driving record, transportation, willingness to work in a team atmosphere and in the great outdoors. The work has a physical nature to it, requires working in various types of weather and locations throughout mainly west side of Cleveland.
